Sixty-Ninth Annual Report
OF THE
EXECUTIVE COMMITTEE
OF
THE WIMBLEDON HOSPITAL
(Established 1869)

Thurstan Road, Copse Hill, S.W.20

For the Year ending 31st December, 1938.

IN PRESENTING the 69th Annual Report and Statement of Accounts, the Executive Committee again extend their grateful thanks to all Subscribers and Donors for their generous support during the year 1938.

The number of In-Patients during the year was 1,468 as compared with 1,351 during the previous year, and 2,851 Patients received treatment in the Out-Patient Departments as compared with 2,655 during 1937.

1,133 Operations were performed as compared with 951 during 1937.

The steadily growing demand upon the Hospital Services creates increasing needs each year, and the Committee has long been aware of the pressing need to rebuild the Women's Balcony Ward, the Massage and Electrical Treatment Departments as well as to build additional Private Wards to extend the Nurses' Home and to build a new Domestic Wing. In addition to this building programme the installation of a new X-Ray apparatus became an urgent matter.

In December, 1937, the Committee launched an Appeal for £30,000 to enable them to carry out this programme. The Corporation of Wimbledon responded with a promise of

**GROWING
DEMAND**

**EXTENSIONS
APPEAL**

£2,000 towards this sum, and £4,000 has been received from annual Subscribers and others.

The Committee are most grateful for this response, but feel that it is insufficient to enable them to commence building operations. They have, however, installed a new X-Ray apparatus, and look forward to the time when further donations will enable them to commence building.

FINANCE

The Balance Sheet shows a deficit of £609 on the year's working. This is primarily due to heavy expenditure on new boilers amounting to £500, as well as to exceptional expenditure incidental to the Crisis in September. A further large item of expenditure was occasioned by the installation of Emergency Lighting in the main Theatre, but is one which the Committee is fully justified in the interests of safety and efficiency.

HOSPITAL BALL

Under the Chairmanship of Dr. A. D. Belilios, a most successful Ball was held in aid of the Hospital Funds on 29th April, in the Town Hall. Mr. Ralph Lynn presented the prizes and many people brought large parties. The financial result was a testimony of the hard work on the part of the Ball Committee, and it is to be hoped that the Ball is established as an annual event, contributing alike to the pleasure of the residents in Wimbledon as well as to the Hospital Funds.

EQUIPMENT FUND

The Wimbledon Hospital Equipment Fund Committee was formed during the year under the Chairmanship of Dr. A. D. Belilios. Their first contribution was to decorate the Queen Alexandra Women's Ward, and to install curtained cubicles, a gift which is highly appreciated by Staff and patients alike.

THANKS

The Committee acknowledge with grateful thanks the unfailing service rendered by the Honorary Medical Board and Consultant staff. Dr. Grace Belilios resigned during the year in order to travel abroad, and the Committee welcome Dr. A. R. Kent in her place.

Sincere thanks and appreciation are extended to the Honorary Officers of the Hospital, to the Hon. Chaplain, Canon A. H. Phelps and his Assistants, to Mr. Godefroy and Members of the Christ Church Choir, and to the Swinburn

Male Voice Choir, who came through all the bad weather on Boxing Day to entertain patients in the Hospital.

Under tuition from the Matron, members of the Nursing Staff passed the British Red Cross Society's Examination in Anti-Gas and Chemical Warfare. The Committee wish to express their thanks to Matron for her services, and to congratulate her.

The Committee deeply regret the death of Mr. John Lyne, one of the promoters of the Wimbledon Hospitals Charity Cricket Match, which has contributed £9,085 to the funds of this Hospital; and take this opportunity of expressing their deep sympathy with Mrs. Lyne.

Sincere sympathy is also expressed to Mrs. Bishop on the death of her husband, Mr. A. Bishop, who was for many years a member of the Council of this Hospital.

The Committee has granted facilities for practical nursing experience to members of the British Red Cross Society and to Students of the Wimbledon Technical College, who have qualified in this most important branch of their training.

Sincere thanks and appreciation are also extended to :—

The King Edward's Fund for London—£350.

Local Hospital Flag Day Collectors—£69 . 14 . 9.

Alexandra Rose Day Collectors—£200.

Metropolitan Hospital Sunday Fund—£180 by collections in the local Churches and Chapels. It is gratifying to know that Wimbledon was very high in the list of Contributions.

Surrey County Council for the allocation of Receipts derived from the Sunday Opening of Cinemas—£290 . 5 . 6.

National Sunday League—£30.

To all those who so kindly responded to the Chairman's Christmas Appeal.

To the Committee and Supporters of the Charity Cricket Match, who, in spite of adverse weather conditions, raised £273 . 1 . 0 for us, an increase of £20 on last year's contribution.

Report of the Hospital Equipment Fund Committee.

IN THE ANNUAL Report for 1937 it was only possible to indicate in the Lady Almoner's Report that a novel effort, known then as The Matron's Equipment Fund had taken hold and seemed likely to become a source of perennial income, derived as it was from an inner circle of ex-patients and a sympathetic outer public.

During 1938, the success of the appeal, initiated by the Matron, strongly supported by Mrs. A. T. Henson and others, who combine technical ability with intimate knowledge of local conditions, resulted in the formation of a Committee, styled The Wimbledon Hospital Equipment Fund Committee. It has as Chairman Dr. Belilios, and as Hon. Secretary and Treasurer, Mr. A. T. Henson. It is composed of active members who continue their efforts to raise money for the Fund by promoting Whist Drives, Bridge Parties and Dances, besides the conduct of the "Hospital Shop" and Canteen—an enterprise which owes its conspicuous success to the skill and initiative of Mrs. Henson and the helpers she has gathered around her.

NEW IDEAS.

(including the Special Collection of "Bun" coins.)

The revival of the Collecting Box Campaign has also been referred to this Committee, and to this important branch of the work Mr. and Mrs. Cook are especially devoting their attention.

Results have already appeared in the provision of such important additional Hospital equipment as the installation of a complete system of screening around the beds—first in the Women's Wards and then in the Men's Wards.

Block lent by Messrs. Hunter & Hyland Ltd.

THE QUEEN ALEXANDRA WARD

showing the improvement effected by the introduction in 1938 of Cubicle Screening, representing the first gift to the Hospital from "The Matron's Hospital Equipment Fund."

Report of the Lady Almoner

THE NUMBER OF PATIENTS admitted during 1938 was 1,468—an increase of 117 over admissions in 1937. The number of days each was resident averaged 16.42.

Of these 1,468 In-Patients, 1,070 were resident in Wimbledon, 134 in the New Malden area, 106 in the Merton, Mitcham and Morden district, 55 from Southfields and Putney and 103 came from other parts of the kingdom.

In the number of Out-Patients there was an increase of 196 ; 2,851 Patients making 8,703 attendances. This compares with the previous year's numbers of 2,655 Patients making 7,364 attendances.

INCREASED PAYMENTS.

Contributions received on account of Services to Patients during 1938 amounted to £7,108, an increase of £739 upon the amount received in 1937. This total includes £2,316 from The Hospital Saving Association, and £297 from The Hospital Saturday Fund, resulting from claims made on behalf of patients who are contributors to these provident schemes ; and £218 from claims made under the Rail and Road Traffic Accidents Act, exclusive of direct payments made by Patients who received treatment in consequence of such accidents.

£11 was recovered in small sums from Patients towards the cost of surgical appliances, etc., and the Samaritan Fund of the Florence Nightingale Guild of the Hospital has met sundry outstanding balances in individual cases.

OTHER GIFTS.

Of Patients from whom no direct contribution has been received in the Almonry Department, some become Subscribers to the Hospital or the Nightingale Guild or other Fund within the Hospital ; they become holders of Collecting Boxes, send gifts in kind or in other ways give useful help. Further, donations from their Approved Societies may appear in the List of Hospital Subscribers and Donors instead of under the special designation as Income. The amount of support

therefore derived from Patients, their Approved Societies and their Provident Schemes, their Sports Clubs and Employing Firms, reveals the strength of the effort that is being made by Patients to retain the Voluntary Hospital System.

ACKNOWLEDGMENTS.

On behalf of the Committee, I acknowledge with most sincere thanks the help given by those who have provided warm garments in an emergency, and who have from time to time driven patients to Town for fittings or to Victoria Station on the way to a seaside Convalescent Home ; likewise for the gifts of Subscribers' Letters for Convalescent Homes and for the Surgical Aid Society Benefits ; also for the unfailing co-operation of the various voluntary social-service organizations. Chief among these are the Wimbledon Branch of The Invalid Children's Aid Association, The Wimbledon Guild of Social Welfare, The Wimbledon Division of the British Red Cross Society (Ambulance), The Wimbledon Common Cottage Convalescent Home and the Florence Nightingale Guild (Samaritan Fund).

M. GRANT, *Lady-Almoner.*

GIFTS
IN KIND

THE HEALING RAYS of the Ultra-Violet Lamps restore frail young bodies to physical strength and happiness. The demand for this vital treatment is steadily increasing, but lack of space is severely hampering our progress.

Ladies' Association

Report of the Committee for the Year ending December 31st, 1938.

THE TWENTY-SIXTH ANNUAL MEETING of the Ladies' Association was held on Wednesday, March 16th, at the Wimbledon Hospital. It was combined with that of the Executive Committee and there was a very good attendance. The Chairman of the Hospital addressed the meeting and gave a most interesting account of the work done during the past year.

During 1938, 122 Members subscribed to the Ladies' Association, bringing in a sum of £62.2.6, and the Hon. Treasurer received donations amounting to 15/-.

GREAT OCCASION.

GIFTS

The outstanding event of the year was the Bridge Tea held at the Mansion House on January 26th, by kind permission of the Lady Mayoress, Lady Twyford, who is the Committee's Vice-President. Well over four hundred people came to play bridge in the Egyptian Hall, and a further fifty arrived for tea which was served in the long Parlour.

The Committee would like to take this opportunity to say how grateful they are to Lady Twyford for her kindness and generosity on this occasion, for not only did she throw open all the main rooms of the Mansion House for her visitors, but she also provided an excellent tea for all those present. It was a thoroughly enjoyable afternoon, and the sum of money collected was most gratifying.

This enabled the Committee to present the Hospital with two urgent requirements, a Radiant Heat and Light Bath and a Massage Plinth, and during the year they have handed Matron £75, in order to buy linen and various other needs for the public wards.

4,000 EGGS.

Miss Blake reports a welcome increase in the number of eggs supplied to the Hospital through the Egg Club during the year. The number is 3,987, as against 3,264 for 1937. It is hoped that readers will generously contribute so as to help this splendid work that Miss Blake so ably organizes. "I am most anxious," she writes, "to get yet more eggs, as one cannot have too many with a hundred mouths to feed."

Solving a Great Problem

How Legacies Help.

“ If there be any truer measure of a man than by what he does, it must be by what he gives.”—*SOUTH*.

MEN AND WOMEN of mature years can always find happiness in reflecting upon times gone by, perhaps of worry and ceaseless effort, perhaps of plain sailing and security. But to everyone comes the moment of making a Will, of dispensing to the best possible advantage the fruits of years of effort.

FREEDOM TO GIVE.

There are many who refrain from making the generous gifts they would like during their lifetime, lest their circumstances should alter in later years. But in making a Will such anticipations do not arise, and each of us is free to make such gifts as we desire.

It is at this time that the constant financial needs of the Wimbledon Hospital might be remembered.

The Hospital is compelled to rely for its heavy maintenance expenses upon the generosity of local residents, and upon the forethought of those who make Wills in its favour.

Gifts of money, investments, and property of all kinds, including land of any tenure, may lawfully be given by Will to the Hospital.

On page 63, there is a simple Form of Testamentary Bequest which is included to assist those who are anxious to safeguard the future of the Wimbledon Hospital.

W. D. CLAYTON,
Appeal Secretary.
